

In Memory of Loran "Cal" Calvert

08/24/1931 – 06/29/2008

The Loma Vista Farm family is saddened by the passing of Farmer Loran "Cal" Calvert, one of the Farm's caretakers. Beverly and Loran "Cal" Calvert eagerly moved to Loma Vista Farm on June 28, 1982, to serve the Farm as caretakers. For 26 years Bev & Cal Calvert have been keeping an eye on the Farm, and farm animals, 24 hours a day, especially after school hours and on weekends.

Cal was born August 24, 1931 in Nyssa, Oregon. "That's in Eastern Oregon where it's high desert and the jack rabbits carry canteens of water, at least that what Cal always told me!" said Beverly Calvert. The Loma Vista Farm family and farm animals are saddened by the absence of Cal from the Farm. Our thoughts are with Beverly and the entire Calvert family. Loma Vista Farm would not be what it is today had it not been for the support of the Calverts over the past 26 plus years.
